## Thank You

We want to thank everyone for all their prayers, thoughts, phone calls, food that was brought in for us, at the time of our greatest sorrow. Everyone couldn't seem to do enough for us. It is wonderful to know that so many care.

GOD BLESS YOU ALL,

THE FAMILY OF JODI  
BLANKENSHIP

## Organist

Clair Stevenson has resigned as the organist for our church. We thank her for all her work in this position. Sunday April 29th was her last Sunday.

Valerie Stone will be the new organist starting May 6th. Valerie is from Thompson and was the accompanist for the Messiah last March.

**All articles for the Auburn Light** must be submitted by the 15th of the month by email to Bob Boles at: [newsletter@auburnchurch.net](mailto:newsletter@auburnchurch.net). Any additions to the calendar go to Pastor Brown - 543-1402.

## LOVE

No words can express how much I love you.

You are the only thing I live for.

You have softened my heart, made me brand new.

It doesn't bother you if I am poor.

When I am wounded you heal my soars.

You died for me so that I could then live.

Not one of my cries to you got ignored.

No matter what I do you will forgive.

And all my hardships you help outlive.

I wish everyone knew about your love.

You love them so much your life you would give.

All kings and all powers you are above..

You then died on the cross so we could be free.

And you went through all that pain just for me.

## New Members

We welcome Dan and Sharon Cedeño as new members to our congregation. They are already hard at work doing the sign out front, greeting and other tasks. We are glad to have you as members.

## Quarterly Meeting

The next Quarterly congregational meeting is July 15th.

## Dinner

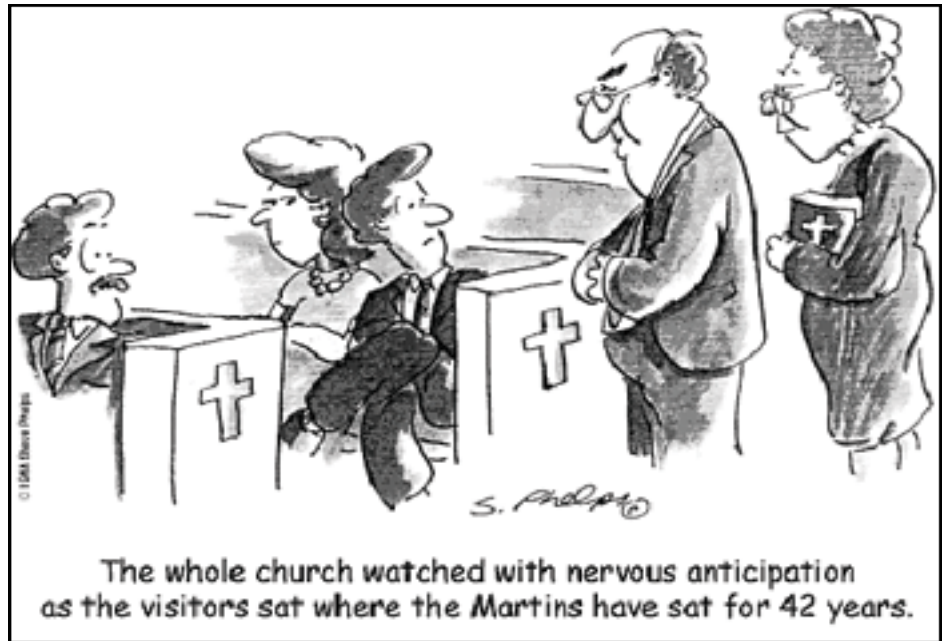

The Swiss Steak dinner is May 11th starting at 4:30 until 7:00. Reservations are required. Call the church office for reservations.

## Choir

The choir will sing during the church service through May 20th. Special music will be provided through out the summer. Anyone wishing to perform during the summer please contact Stephanie Boles.

## Meetings

If you are the representative that should go to a meeting, please try to make arrangements for someone on your committee to take your place if you cannot attend. The business of the church and the committees needs to be carried out. This is especially true for the reports to the quarterly meeting and the Church Council.

## Parsonage

The parsonage has been cleaned and many repairs done. A lease was signed to rent it starting April 15th. The trustees are discussing whether or not to set aside some of the rent for maintenance and upgrade the parsonage.

## Judy Spearing

Judy Spearing's new address is:

Apt 125  
849 W. Aurora Rd.  
Aurora, OH 44202

Please join us for a reception for Judy on May 6th after church.

## Handicap Equipment

Need handicap equipment? We can help. There are wheel chairs, canes, crutches, and more at the church for anyone who needs them. See what is there before you rent or buy and keep as long as needed.

## Communications

Communication between committees, officers and congregation members is very important. Here are some tips for good communicating within the church body:

Appoint a communications officer within each committee designated to provide reports to meetings and information for the newsletter.

Name a contact person for each committee to answer any questions. This list can be provided on the web page.

Make sure a representative attends council and congregational meetings to share information.

Provide information for the newsletter about your committee to inform the congregation of what has been accomplished.

Share the good news of events happening at our church with the greater community.

## Windows Replacement Fund

The window and door installations are completed but we need to raise approximately \$4000 to pay off this project.

Do you know that if each person that could afford it, gave \$5.00 a week to the window fund, that would pay for one window a month or the door in 8 months?

Our church building and grounds are looking better but there are always things to be done. Please help financially and by participating in working on projects.
