June 2007

## Missions

We will be sending packages overseas to service personnel. We will send prepaid (\$8.00) packages that will contain personal items. They will be sent to Leah Byler, Casey's granddaughter, to be distributed.

We will also prepare personal packages for the folks going on the Biloxi trip in July. We will appreciate donations for both these projects.

The list of items for Womensafe is similar to those in the past. We don't have a current list. The Greenhouse will be ready in September for a public viewing. This is an exciting step for them.

Thank you for all your support of past and current projects through the Missions of our church.

Missions Committee

**All articles for the Auburn Light** must be submitted by the 15th of the month by email to Bob Boles at: [newsletter@auburnchurch.net](mailto:newsletter@auburnchurch.net). Any additions to the calendar go to Pastor Brown - 543-1402.

## Choir

May 20th was the last day of singing for the choir. We have been invited to sing at the the UCC service in Burton in August. Special music will be provided through out the summer. Anyone wishing to perform during the summer please contact Stephanie Boles.

## Back Bay Mission

Back Bay Mission is still devastated and needs help. The pastor is leading a group this summer to work there. Ask the pastor how you can help in this endeavor. One way he mentioned was gift cards from Home Depot.

## Organist

We welcome Valerie Stone as our organist and hope she will enjoy the work here. She started May 6th. It has been enjoyable to listen to her play.

## Judy Spearing

Judy was formally thanked for her years of service to Auburn Community Church. She held offices in the church and worked closely with Christian Ed. In her career she was an author and a librarian.

Judy Spearing's new address is:

Apt 125  
849 W. Aurora Rd.  
Aurora, OH 44202

## New Lightbulbs

New light bulbs were installed in the sanctuary thanks to a donation to buy them. The new fluorescent bulbs give a white light and save considerable amount of energy. Herb Wilson presented the information to the trustees at the last trustee's meeting. Herb installed the lights and removed the dimmer because they cannot be controlled by a dimmer. Thanks Herb.

## Church Smiles

There was a very gracious lady who was mailing an old family Bible to her brother in another part of the Country". Is there anything breakable in there?" asked the postal clerk. "Only the Ten Commandments," answered the lady.

## Dinner

Thanks to many, the church's general fund received \$979.00 from the recent Swiss steak dinner. The Heifer Project being undertaken by the youth and the Back Bay Mission trip being sponsored by the Geauga Co-op Ministry benefited \$12 and \$124.50 respectively. The community's support of this annual spring event is greatly appreciated.

Jan Haskins

## Handicap Equipment

Need handicap equipment? We can help. There are wheel chairs, canes, crutches, and more at the church for anyone who needs them. See what is there before you rent or buy and keep as long as needed.
