## Pledge Cards

In gratefulness for all we have, we need to consider what we can do for our church. The church's bills are ongoing and need to be paid regularly. The cost of maintenance, electricity, supplies, and salaries, creates a constant need for money. Please consider prayerfully what you can give in 2007. A pledge for regular donations will help the church leaders know how to plan to meet their obligations.

Pledge cards are on the table in the sanctuary.

## Windows Replacement Fund

Seven more windows have been installed in the church. The choir room, nursery, kitchen and one regular window downstairs have been installed leaving only one regular window downstairs, the boiler room window, 5 bathroom windows and the double door in the back. It will take approximately \$6500 to complete this project.

Do you know that if each person that could afford it, gave \$5.00 a week to the window fund, that would pay for one window a month or the door in 8 months?
